A Shop for Smiles! Richard J Hagstrom, DDS

A Shop for Smiles In-Office Dental Plan

Did you know that all dental disease is easier to treat and less expensive if caught early? Even so, some of our patients have been putting off their much needed gum therapy because of the cost. In order to help with this, Dr. Hagstrom has found a way to save you money and keep your gums and teeth healthy by developing in-office dental plans for those without dental insurance. We have found that these preventive visits are key to keeping your mouth healthy and finding problems when they are small and easily corrected, rather than waiting for something to break!

Dr. Hagstrom has developed two different dental plans based on your periodontal condition.

The Dental Health Plan is for our patients who are on a 6 month re-care schedule. The enrollment fee for this plan is \$495 (\$738 value) and it includes:

- Two regular exams per year with Dr. Hagstrom
- Two gum therapy treatments per year with our hygienist
- All necessary x-rays including a full mouth series (once every 3 years) or bitewing x-rays once per year.
- Fluoride treatments at each cleaning.
- One Velscope Oral Cancer Screening per year
- All emergency exams and x-rays at no cost.
- A 10% courtesy applied to all treatment, with no annual limit

The Perio Health Plan is for our patients who have been diagnosed with periodontal disease and come in several times a year for their gum therapy. The enrollment fee for this plan is \$785 (\$1172 value) and it includes:

- Two regular exams per year with Dr. Hagstrom
- Four gum therapy treatments per year with our hygienist
- All necessary x-rays including a full mouth series (once every 3 years) or bitewing x-rays once per year.
- Fluoride treatments at each cleaning.
- One Velscope Oral Cancer Screening per year
- All emergency exams and x-rays at no cost.
- A 10% courtesy applied to all treatment, with no annual limit

With these plans, there are no insurance claims to submit, no waiting periods, and best of all no annual limits. Finally, a way to combat gum disease and save money! All that we ask is that you pay for your plan in January so you can be set to save for the whole year! Call 619-465-5252 to get started!!
